Business Summary:

VaceTime is a full service agriculture company that serves both commercial and residential properties. We specialize in landscape design, vegetation removal, planting and maintenance of all flowers and trees.

Core Competencies:

- We create custom landscape designs that are unique to both style and space of our clients.
- We are expert weed removal specialists, and we offer eco-friendly methods.
- We create custom interior and exterior living walls.
- We offer both spring and fall seasonal leaf and debris cleanup.
- We are experienced gutter cleaners.
- We pride ourselves in our abilities to trim, hedge, and prune all bushes and flowers.
- We offer both spring and fall seasonal seeding, with the option of professional arrogation.
- We build and assemble both flowerbeds and flower boxes.
- We are skillfully trained at planting annuals, perennials, shrubs, trees, and delicate flowers.
- We do offer large mowing services.
- We also offer furniture mounting and assembly.

Past Performances:

- East Coast Warehouse
- KW Philly
- New Light Beulah Baptist Church
- Roxborough Station Post Office
- Wedding Kiss Ballroom Philly

Differentiators:
